

Perilous

A CHRONICLE OF PRISONER UNREST

WHAT IS PERILOUS CHRONICLE?

Perilous Chronicle is a digital research project that seeks to document all acts of prisoner unrest across the US and Canada from 2010 through the present. We believe this current wave of prisoner organizing constitutes a nation-wide social movement and our goal is to track this movement comprehensively.

SEND US A TIP

If you have information about prisoner unrest that you think should be included on our site, please reach out to us. We rely on crowd-sourced information, especially information from prisoners, families, and witnesses.

STAY TUNED AND EXPLORE

Keep up with the most recent news in prisoner rebellion or explore archival posts, photos, video, and audio recordings on more than 200 incidents over the past 9 years, beginning with the historic Georgia prison work stoppages of 2010.
